

GearyComm Survey Summary

"Survey Close" date: 11/10; n=152

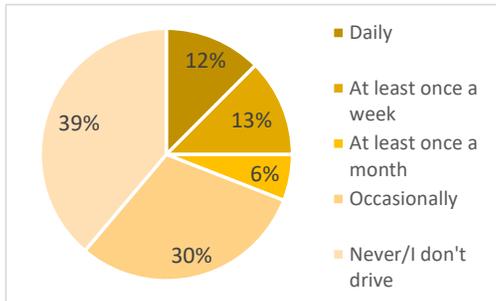

Question 1: Walking

When you are walking, do you ever cross Geary Boulevard at Commonwealth/Beaumont?

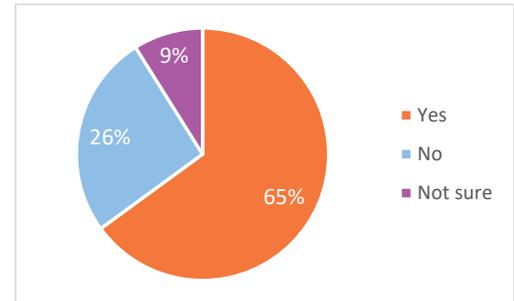

Question 2: Driving

When you are driving on Commonwealth or Beaumont, do you ever make a left turn onto Geary Boulevard or drive north or south across Geary? If yes, about how many times per week?

Question 3: Support/Opposition

Installing a traffic signal would require making Commonwealth and Beaumont right-turn only for vehicles approaching Geary Boulevard (i.e., no through traffic or left turns would be permitted from Commonwealth or Beaumont). Left and U-turns would continue to be permitted from Geary. Is this a tradeoff you would support to improve safety for pedestrians crossing at this intersection?

Breakdown of support/opposition by mode of travel and frequency

Of the 38 people who drive across once a week or more (25% of total), 61% do not support the tradeoff.
 Of the 74 people who don't drive across daily but do drive (49% of total), 34% do not support the tradeoff.
 Of the 114 people who drive across less than once a week including never (75% of total), 15% do not support the tradeoff.
 Of the 42 people who walk across once a week or more (28% of total), 40% do not support the tradeoff.
 Of the 110 people who walk across less than once a week including never (72% of total), 21% do not support the tradeoff.

Question 1: Walking

Response	By support/opposition (Question 3), X% for each walking frequency			By frequency of walking, X% in favor/opposed to proposal (Question 3)			Sum	
	Yes	No	Not Sure	Yes	No	Not Sure		
Daily	9%	7%	18%	0%	50%	50%	0%	100%
At least once a week	18%	15%	25%	23%	54%	36%	11%	100%
At least once a month	11%	11%	8%	15%	69%	19%	13%	100%
Occasionally	46%	51%	38%	38%	71%	21%	7%	100%
Never	16%	16%	13%	23%	67%	21%	13%	100%
Sum	100%	100%	100%	100%				

Question 2: Driving

Response	By support/opposition (Question 3), X% for each driving frequency			By frequency of driving, X% in favor/opposed to proposal (Question 3)			Sum	
	Yes	No	Not Sure	Yes	No	Not Sure		
Daily	13%	6%	28%	15%	32%	58%	11%	100%
At least once a week	13%	5%	30%	15%	26%	63%	11%	100%
At least once a month	6%	6%	5%	8%	67%	22%	11%	100%
Occasionally	30%	31%	28%	31%	67%	24%	9%	100%
Never/I don't drive	39%	52%	10%	31%	86%	7%	7%	100%
Sum	100%	100%	100%	100%				

*Note: values in tables above are rounded to nearest percent, so sum may appear to be off by one but is accurate.
