PURPOSE

STRATEGIC PLAN GOALS AND TRANSIT FIRST POLICY PRINCIPLES

This item will support the following Strategic Plan Goal:

Goal 5: Deliver reliable and equitable transportation services.

TRANSIT FIRST POLICY PRINCIPLES

This item will support the following Transit First Policy Principles:

1. To ensure quality of life and economic health in San Francisco, the primary objective of the transportation system must be the safe and efficient movement of people and goods.

DESCRIPTION

The Metropolitan Transportation Commission (MTC) is the regional transportation planning agency for the San Francisco Bay Area pursuant to Government Code Sections 66500, *et seq.* The Transportation Development Act (TDA) (Public Utilities Code §§99200, *et seq.*) provides for the disbursement of funds from the Local Transportation Fund (LTF) of the City and County of San Francisco (City) for use by eligible applicants for the purpose of approved transit projects. Prospective applicants wishing to receive an allocation from the LTF for any transit-related purposes must file an annual claim with MTC.

MTC apportions TDA funds (that are held in the LTF) based on an estimate of sales tax generation for the claim year prepared by MTC and San Francisco County auditors. STA revenue-based operating assistance comes from a State sales tax on fuel, and STA-population-based (paratransit) assistance is computed according to a formula based on the population of the area, which may be adjusted during the governor's annual budget process. AB1107 one-half cent sales tax is based on MTC estimates of sales tax growth generations. RM2 funds are dispensed based on the agency's request for operating allocations, subject to meeting eligibility requirements and availability of RM2 operating funds.

The SFMTA FY 2023 Operating Budget included TDA, STA, AB1107 and RM2 funds. The exact amounts available to the SFMTA for FY 2023 will not be known until after the State budget is approved. Only the RM2 funding is restricted to funding a specific activity; it has been designated by MTC to support late night OWL operating service.

STAKEHOLDER ENGAGEMENT

On April 21, 2020 and April 19, 2022, the SFMTA Board of Directors approved the operating budget for FY 2021/FY2022 and FY 2023/FY2024, which included TDA, STA, AB1107 and RM2 funds.

ALTERNATIVES CONSIDERED

If this claim is not submitted to the MTC, the SFMTA will not be able to receive TDA, STA, AB1107 and RM2 funds that have been included in the operating budget for FY 2023. If these funds are not available, alternative funding sources will need to be identified to support the FY 2023 operating budget and/or services will need to be reduced or eliminated.

FUNDING IMPACT

MTC projects that it will distribute the following amounts to the SFMTA in FY 2023. As mentioned above, the exact amounts available are subject to approval of the State budget:

	FY 2023 MTC Allocation
TDA Funding	\$ 43,232,111
State Transit Assistance - Revenue Based	66,841,434
State Transit Assistance - Population Based (Paratransit)	-
AB 1107 funding	50,000,000
RM2 operating Assistance & Owl Service Funding	2,284,376
Total Request	\$ 162,357,921
