The project will address safety concerns for customers boarding Muni, address the much-needed rehabilitation of aging sewer and water lines while bringing streetscape improvements to the Taraval corridor for added vibrancy.

Work continues on water lines, as well as on the overhead contact system (OCS) that powers the trains. OCS work has transitioned to underground conduit work to support power to the trains and the new and existing streetlights. **ONGOING: 19th Avenue (CA Route 1) Combined City Project**

San Francisco Public Works is leading a multi-agency project to replace aging infrastructure and improve safety along 19<sup>th</sup> Avenue between Holloway Avenue and Lincoln Way.

Construction work for the first and second segment of this project along 19<sup>th</sup> Avenue between Lincoln Way and Taraval streets was completed. Construction work for bulbouts in the third and fourth segment along 19<sup>th</sup> Avenue between Taraval Street and Holloway Avenue is ongoing.

As part of the [19th Avenue Combined City Project](#), the SFMTA will implement transit priority and safety improvements for people walking along 19<sup>th</sup> Avenue. The improvements will make it safer to walk, remove stops to make transit service more reliable, and enhance customers' experiences—on and off the bus.

To improve safety along 19<sup>th</sup> Avenue, the SFMTA will: 1) install pedestrian bulbs at 19 intersections and transit bulbs at 13 intersections; 2) modify traffic and pedestrian signals to give people who walk more time to cross the street; and 3) extend the bus zone at one intersection. Installing transit bulbs allow Muni vehicles to stop for passengers without having to pull out of traffic, and pedestrian bulbs increase the visibility at intersections of people who walk.

As part of the project, seven Muni stops were removed on 19<sup>th</sup> Avenue between Irving Street and Ocean Avenue last October. The following Muni routes have been affected with the stop removal:

- 28 19th Avenue
- 91 3rd Street/19th Avenue Owl
