An SFMTA Board of Directors meeting will be held on Tuesday, April 15, 2025, at 1:00 p.m. to consider additional revisions and proposed changes on Valencia Street, between 15th Street and 23rd Streets, side streets, and other area streets, as part of the Mid-Valencia Curbside Protected Bikeway Project. This SFMTA Board of Directors meeting will serve as the public hearing forum.

The Mid-Valencia Curbside Protected Bikeway Project was approved by the SFMTA Board of Directors on November 19, 2024. Revisions to the approved project include the following elements:

- An additional green zone to provide more short term loading for local businesses
- Increase the number of blue zones to provide more accessible parking spaces on Valencia and area streets
- Revisions to the bikeway on 17th Street approaching Valencia Street
- Modify the number, configuration, and hours of parking and loading spaces to better accommodate the new roadway configuration and needs of merchants and business owners
- Reinstate left turns off of Valencia Street at three northbound and three southbound locations (17th St, 21st, and 23rd St) between 15th Street and 23rd Street

This Public Hearing is an opportunity to provide comments on the project before SFMTA board approval. Pending approval by the SFMTA board, implementation will coincide with the current construction work.
