Muni's Bussin' Bingo Card Instructions

Celebrate Transit Month by Playing Muni's Bussin' Bingo!

How to Play:

1. Hop on Muni and visit participating businesses around the city. Scan the QR code below for the full list of businesses.
2. Purchase the limited-edition Transit Month menu item.
3. Show your Muni Bussin' Bingo Card to get a custom sticker or stamp from that business. Bingo cards are available at participating businesses, Muni Transit Month events or can be downloaded and printed. Scan the QR code below for more info.
4. Only one stamp or sticker per business per bingo card, so mix it up!
5. Fill in all 16 squares on your Muni Bussin' Bingo Card. Once complete, email a photo or scan of it to socials@SFMTA.com for next steps.

Everyone who completes a Muni Bussin' Bingo Card will be invited to an exclusive Muni tour led by one of our expert staff. You'll also be entered into a raffle to win a Muni-themed goodie bag all while supporting local businesses and riding Muni!
