NEW: Mobile Payment Options and Parking Spots Reservation *continued*

Two new mobile options—ParkMobile and HotSpot—are now available for paying for metered parking in San Francisco. For details and to choose the app that works for you, visit www.SFMTA.com/PayToPark.

The SFMTA also introduced an online reservation system for reserving a parking space at most city-owned garages up to six months in advance. This system was originally launched at the Civic Center and Performing Arts Garages for special events, it is now available at the majority of the 22 SFMTA garages citywide. This convenient feature removes the hassle of searching for parking and ensures you'll have a guaranteed space. For more information, visit www.SFMTA.com/ReserveParking.
